twentieth

Gridlock Pendant ? 4059

Roll & Hill

DESCRIPTION

Raw and unpretentious, Gridlock is a series of lamps in the style of the Brutalist movement. Gridlock feels industrial in its straightforward, platonic forms and the repetitive efficiency of the grid, however, it is assembled entirely by hand from thousands of tiny parts. Philippe Malouin's tribute to the industry-inspired, labor-saving dreams of modernism is paid for in toil.

ADDITIONAL INFORMATION
