## Welles Double Blown Glass Pendant

Gabriel Scott

### DESCRIPTION

Single gem-like pendants hung from a finely braided metallic-cable, reminiscent of custom crafted jewelry, these exquisite pieces are available in Smoked-Gray, Alabaster-White and California-Pink glass. The WELLES silhouette is created through an intricate double-blown glass process, during which colored glass is enclosed in a solid clear body and then expertly polished and shaped to its recognizable form.

All Gabriel Scott pieces are handmade in Canada.
