## Offset Cube

Daniele Albright

### DESCRIPTION

It is rare to find objects that combine minimalist austerity with a luxurious sensibility. Offset Cube balances these opposing qualities skillfully. Equally conceptual and functional, this sculptural bench is characterized by a quiet monumentalism that is as subtle as it is grand. With Offset Cube, a soft, inviting seat is encased in minimalist geometry, each element complementing the other's character and purpose.

### ADDITIONAL INFORMATION

#### MATERIALS

Tobin bronze or pewter steel, natural upholstery materials, optional Italian mohair fabric.
