twentieth

Bluff City 8-Inch

Roll & Hill

DESCRIPTION

Bluff City merges a traditional pendant shade and a wire cage into an industrially inspired but refined pendant. A variety of finish combinations gives the light a vaguely postmodern feel that echoes the Memphis movement. However, the Tennessee town, known as Bluff City, was the inspiration for the series.

ADDITIONAL INFORMATION

MATERIALS: Powder-Coated and Plated Steel

FINISHES: Blue/Nickel, Mint/Red, White/Black, White/Brass

DIMENSIONS: Dia 8in/20cm x H 10in/25cm

WEIGHT: 3lb/1.3kg
