## **Lumalight Horizontal li**

Daniele Albright

## **DESCRIPTION**

Influenced by the Los Angeles based Light and Space art movement, Lumalights combine color saturation and illumination to produce atmospheric installations. Various opacities and transparencies of material, light and color are layered to create visual resonance. Compositions can range from subtle and fluid monochromatic gradients to strikingly vivid and vibrant interactions of pure color.

ADDITIONAL INFORMATION

**CUSTOM MADE TO ORDER** 

**MATERIALS** 

Hand-Formed Acrylic, Dimmable LED Light

**FINISH** 

50 Colors Available

Shown: Orange and Dark Bronze

**DIMENSIONS** 

**Custom Sizes and Configurations** 

Depth is always 5"

Shown: 12" H x 60" W x 5" D (30.5 x 152.4 x 12.7 cm)

LIGHTING

Bulbs are 110V dimmable LED and come in 12", 20", 40"

Minimum of 3" space surrounding bulb is required

**PRICING** 

Base price (single color) =  $$150 \times (Height + Width) (inches)$ 

Add 10% for each additional color (straight seams only)

Shown: 2 colors (base + 1 additional):  $$150 \times (12 + 60) + 10\% = $10,800 + $1,080 = $11,880$
