Trax Bed

Phase Design

DESCRIPTION

Similar to the Trax seating, the Trax bed's profile and angled head board create a dramatic addition to any bedroom. Its bold solid wood beam legs provide a sense of balance & luxurious precision, while supporting a fully upholstered frame. The purposeful head board promotes a comfortable position to sit up, lean back, and relax, while the extended head board sides create a cove that cradles the mattress.

ADDITIONAL INFORMATION

FINISHES

Walnut, white oak, ebonized oak
