Gridlock Ceiling Mount - 5640

Roll & Hill

DESCRIPTION

Raw and unpretentious, Gridlock is a series of lamps in the style of the Brutalist movement. Gridlock feels industrial in its straightforward, platonic forms and the repetitive efficiency of the grid; however, it is assembled entirely by hand from thousands of tiny parts. Philippe Malouin's tribute to the industry-inspired, labour-saving dreams of modernism is paid for in toil.
