Floor Torch

Stickbulb

DESCRIPTION

The torch series is the most pure and minimal expression of the Stickbulb collection. The Torch Floor Lamp is a single, linear LED module elegantly held in place by a minimal steel base. The wooden component is offered in sustainably sourced maple or walnut, reclaimed heart pine, or reclaimed water tower redwood. The metal base is available in powder coated white, powder coated slate gray, brass, nickel or blackened steel. The Floor Torch is supplied with an eight foot cord and a detachable adapter.
