Lineground Bench

Skram

DESCRIPTION

The Lineground bench is available in 3 standard models. The product may be used independently or as a companion to the Lineground community table. Features include solid timber construction, mortise-and-tenon joinery, and mitered corners with matched seams/waterfall edges. Stretcher location is at floor level or beneath seat (by request). Specify timber and size from the options below. Please contact sales@twentieth.net for custom materials and sizes.
