Bubble Chandelier - Long 62

Pelle

DESCRIPTION

Ethereal and iconic, the Bubble Chandelier is a modern re-interpretation of the crystal chandelier. Its luminous constellation of delicate glass globes adds beauty and depth to any interior environment.

Based on an original design first conceived in 2008, the Bubble Chandelier is available in a series of twelve distinctive variations. Each chandelier is handcrafted to order in PELLE's Manhattan-based studio. The bubbles are anchored by precision-tooled hardware, finished to a fine quality. The light's decorative coiling, available in natural cotton and leather cord, is meticulously done by a practiced hand. Characterized by the warmth and qualities of an intricately handmade piece, the Bubble Chandelier has achieved the status of a timeless classic.

Pricing listed is for chandelier with Incandescent ? E26 Base with natural cotton or leather coil option. Please inquire for more lamping and bulb configurations; upcharges may apply.
