twentieth

Aries Pendant I.i

Bec Brittain

DESCRIPTION

Aries was inspired by the artist Olafur Eliasson’s concept and set design for the ballet Tree of Codes, in which dancers wore all-black suits, highlighted with LEDs. Aries creates a piece where the points of light are the focus, and the structure itself is as minimal as possible while flexible enough to create constellation-like forms that recall the night sky, with its bright and sparkling lights refracted through the glass prisms.

CATALOG

ADDITIONAL INFORMATION

MATERIALS
Finished Aluminum, Clear Glass Prism

FINISH
Brushed Brass, Satin Nickel, Polished Nickel, Dark Pewter, Bronze

DIMENSIONS
Single Body: 1.4" x 4.7" (33 x 120 mm) x variable height
Double Body: 1.4" x 6.8" (33 x 170 mm) x variable height

WEIGHT
Single: 1.25 lb / 0.57 kg
Double: 1.45 lb / 0.66 kg

LAMPING

24 VDC LED PCB
0-10V dimming on request 2700 Kelvin

INSTALLATION
Remote:
120V Dimming: C·L (Lutron) switching
240V Dimming: 0-10V hardwired
Local:
120V Dimming: C·L (Lutron) switching
240V Dimming: 0-10V wireless (Lutron Pico)

SUSPENSION
Metal stem in matching finish available on request. Variable suspension height.

WIRING
24V low voltage power through a power cable in lieu of stem available on request.

ELECTRICAL
Wattage: 1.4 Watt
Lumens: 168 Lumens
110 - 240 VAC
277 VAC upon request

CERITIFCATION
UL Certified
