twentieth

Petra I

Christopher Boots

DESCRIPTION

PETRA (from the Greek word Π?τρα, meaning stone) celebrates the complexity and subtleties in the material composition in Quartz that PETRA is made from.

Evoking strong connections to deep earth geology, PETRA radiates light through subtle tones and snaking veins of Quartz.

The magic of PETRA is determined by the natural inherent beauty of Quartz.

The PETRA collection is offered in Rose, Clear and Smoky Quartz.

Every PETRA is unique as a consequence of variance to the size, shape, translucency and natural details of the stone.

The PETRA I is the Sconce iteration of the collection, available in Mono, Twin or Triple.

FINISHES CATALOG

ADDITIONAL INFORMATION
