Kelly Chandelier X-Large

Gabriel Scott

DESCRIPTION

A chandelier that moves with glamorous intrigue, the KELLY Chandelier's metallic chain cascades through its various layers to create a glisten reflective effect. A bold synergy of cold metal with warm light, the black or brass frame hosts a matching chain that brightens any interior with midnight color. With its Art Deco sensibility, the KELLY Chandelier is a transitional light fixture of exemplary proportion. Available in small, large, and extra-long.
