twentieth

2 X 4 Pendant

AlexAllen Studio

DESCRIPTION

The 2x4 Pendant is made from the most common piece of dimensional lumber, the simple 2x4. The 2x4 celebrates the minimal and the ordinary. It is simple and true to its form, and with some luxurious touches, the 2x4 is transformed into a beautiful pendant worthy of any space.

Leather option, custom finishes and sizes available upon request.

Made in Brooklyn, New York.
