Ora Desk Lamp

Ross Gardam

DESCRIPTION

The Ora collection reflects a desire for purity and honesty in materials and manufacturing. A beloved design classic, the Ora Desk Lamp celebrates the tactility of aluminum and the calming essence of a single light with expert engineering and refined function. Each user is fully engaged with the physicality of Ora, able to tilt the shade, direct the warm glow and rotate it around the body as desired.

Completely precision-milled from aluminum, the Ora Desk Lamp features an adjustable shade thanks to a clever magnetic joint.
