Warm White Satin

Additional finishes available upon request

LIGHTING:

UL is an additional \$250

Future pendants made with single brass stem suspension

Recommended 40-60W T10 Clear Bulb (75W max), bulbs not included

PROCESS

Inspired by the concept of Alchemy – combining basic elements to create something of great value - Cmesh was developed through an experimental artistic process. Clay and metal, normally incompatible materials, were combined in numerous ways and tested extensively until the process was developed and refined.
