twentieth

Arbour Pendant Light

Ross Gardam

DESCRIPTION

The Arbour Linear light, is a continual timber solid, formed to unite space and celebrate the beauty of the natural. Created by the divergence of two curves that flow along and around the product.

The body of the pendant is machined from various solid timbers, allowing the more technical aspects of the light to be hidden internally, leaving the external form pure to the eye.

Arbour is a linear timber light that creates the perfect downward luminosity. The subtle curves of the Solid Walnut, Rock Maple, or Oak marries perfectly with the hard edges of the hand-polished champagne anodised aluminium elements.

ADDITIONAL INFORMATION

MATERIALS
Sustainably Sourced Solid Timber, Anodised Aluminium

FINISHES
Solid Timber: Rock Maple, American Walnut, American Oak
Anodised Aluminium: Hand Polished Champagne

DIMENSIONS
Standard: 72" x 1.9" x 3.4" (1850 x 50 x 86 mm)
Long: 86" x 1.9" x 3.4" (2200 x 50 x 86 mm)

LAMPING
High-output 24V Commercial Grade LED Strip

3000K Warm White, CRI 80, Dimmable
Consumption: 14.64W/Metre
Output Luminance: 1385LM/Metre
Supplied with 2M of Flex & Suspension Wire
4W LED Lifespan: 50,000 Hours

RATING AND CERTIFICATION
Rating: For Indoor Use
Certification: AVAILABLE UPON REQUEST.
