twentieth

Tired Little One Cashmere Smoke By Calle Henzel

Henzel Studio

DESCRIPTION

All pieces in this collection are made by hand, using centuries' old weaving techniques that make each rug one of a kind. Henzel Studio's ethos is based on the artistic practice of Calle Henzel, founder and creative director. Over the past twenty years, he has translated his artistic practice as painter and collage artist into the medium at hand, positioning Henzel Studio as one of the most progressive luxury rug brands in the world.
