twentieth

Alta Brass Candle Holder

OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

The Alta Candleholders are made from sand-cast metals. This involves a process of extreme heating and cooling, turning metal solid into a lava like liquid and re-forming it. The end result is unpredictable and unique.

ADDITIONAL INFORMATION

DIMENSIONS
A | 3.9" W x 5.6" D x 12.2" H
B | 3.9" W x 5.7" D x 12.8" H
C | 3.9" W x 5.7" D x 13.4" H

MATERIALS
Brass

DISCLAIMERS
METALS - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidize and change in color and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time.
