Cape Armchair

OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

Following the fluid and sensual lines established by the REPOSE & REVERB sofas, our latest deep-seated and comfort-focused seating is CAPE.

Named after our sublimely nature-blessed home Cape Town, a city nestled within a dramatic landscape of mountain and sea, the CAPE sofa and armchair focuses on the design of elegance and ultimate well-being. CAPE permits us to relax, decompress and engage in our surroundings in a tranquil state.
