OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

Human beings have been telling stories for thousands of years, they are an essential and primal part of our need to share, connect and express who we are and how we inhabit the world around us...and we all have our stories to tell.

At OKHA we believe that design can be a fundamental tool in telling stories and we want our story to enable you to tell yours.

We aim to inspire you to stand out and tell your own unique story.
