Mesa Coffee Table

OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

Inspired by the hidden beauty of naturally fallen timbers, Mesa is crafted from Salinga wood sourced locally in South Africa. The deep, rich tone of the wood, resembling liquid rust, exudes vibrancy and boldness and brings to mind the clay-coloured earth of KwaZulu-Natal.
