Volant 32 Chandelier

Ross Gardam

DESCRIPTION

Volant is a modern chandelier that’s almost akin to a kinetic sculpture. A static lamp with an uncanny ability to appear in motion. Solid brass bars are home to textured, tubular formed-glass elements, angled to give the impression of floating objects revolving around each other. The result is an elegant equilibrium that’s at once enthralling yet soothing.

The linear configuration of the Volant 21 and 32 makes it ideal for dining areas, kitchen islands and other horizontally-oriented spaces.
