Heavy Weight Table Lamp

DESCRIPTION

OKHA’s diverse design repertoire is keenly focused on purity of form and a high regard for noble materials, traditional artisanal and hand-crafted techniques. OKHA’s creative direction and DNA is clearly stated in its bespoke, limited series works and its production furniture collection.

Each design focuses on an essential statement of line, the resonance of natural materials and the desire to gracefully hold space via a taut and articulate silhouette. The resulting works arrive at a provocative junction of contemporary design and the manifestation of a distinctly personal expression.
