## Alta Steel Candle Holder

### DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

The Alta Candleholders are made from sand-cast metals. This involves a process of extreme heating and cooling, turning metal solid into a lava like liquid and re-forming it. The end result is unpredictable and unique.

### ADDITIONAL INFORMATION

#### DIMENSIONS

A | 3.9" W x 5.6" D x 12.2" H

B | 3.9" W x 5.7" D x 12.8" H

C | 3.9" W x 5.7" D x 13.4" H

#### MATERIALS

Electro Polished Stainless Steel, Gun Metal Stainless Steel

#### DISCLAIMERS

METALS - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidize and change in color and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time.
