## Model 2 Chair

Krasnogorov Studio

### DESCRIPTION

The lines of the Model 2, especially its sideview, seem unmistakably Art Deco. Perhaps a 1930s sports car. At the same time the sinuous carving is reminiscent of the great Art Nouveau masters – Gaudi, Majorelle, Guimard, etc. In fact, it is a sleek reinvention of these timeless styles in a thoroughly modern architecture and form. A nouvelle art nouveau style that anticipates the transition to a new, modern geometry.
