twentieth

Bijou Console

Krasnogorov Studio

DESCRIPTION

BIJOU - "an object, especially of a residence, small and elegant."

Sculptural shelf with organic curves. Showcase a favorite object, create an accent in a space. As functional as it is beautiful. A little jewel for an elegant environment where quiet luxury abounds. Each shelf is made to order. Custom finishes available. A collectible design by Vlad Krasnogorov.

Built in Sapele, available in other species.
