twentieth

Abysse 01

Larose Guyon

DESCRIPTION

Celebrating nature in all its splendor and its inimitable wonders, Abysse is a collection that highlights the intricate textures, shapes and finishes of the sea elements. Abysse is a new versatile, modular and organic collection.

Abysse evokes the intriguing atmosphere of the seabed and its fascinating creatures with its brass finish, textured by the sea, and its multiple suspended bold chains, warmly lit by impressive hand-blown glass globes. Available with three, five or eight glass globe, each option comes in two different sizes (Large or Small) bringing versatility and poetry to any space.
