twentieth

Shy 17

Bec Brittain

DESCRIPTION

SHY creates a form with lines of light; thin LED tubes, with their spare beauty, define the edges of its shape. Thus, the function of the piece and its form are inseparable, and the ethereal quality of the LEDs is balanced by the warmth of the brass. SHY's modular hardware lends itself to a myriad of configurations, both standard, and custom, producing new shapes according to what space demands.

CATALOG

ADDITIONAL INFORMATION
