## Mini Endless Double - 89 Inches

Roll & Hill

### DESCRIPTION

Like Endless, Jason Miller's Mini collection was originally conceived to be a light fixture as an architectural element. However, the scale and construction of the Mini are inspired by the wooden ship's masts. Before advanced materials and industrial production, wooden sailing ships were the engineering marvels of their time. By necessity, the construction was as inventive as it was beautiful.

### ADDITIONAL INFORMATION

**MATERIALS:** Acrylic, Steel, Wood

**FINISHES:**
