twentieth

Louvre Light

Established & Sons

DESCRIPTION

Referencing window blinds, Scandinavian lighting, and the 1980s ‘muscle’ cars' rear windows, the Louvre is a surprisingly elegant and understated light. Seamless, pressed aluminum louvers with compound curved corners are repeated layer upon layer. This lightcreates a multifaceted shade that provides glare-free, directional, and ambient light.

ADDITIONAL INFORMATION

MATERIALS
Anodised Aluminium, Polycarbonate Diffuser, Powder-coated Aluminium And Steel Fixings, Steel Suspension Cable.

COLOR
Anodised Black, Anodized Bronze

DIMENSIONS
L 950mm × D 210mm × H 215mm
