Lineground Bench

Skram

DESCRIPTION

The lineground bench may be used independently or as a companion to the lineground community or farm tables. Features include solid timber construction throughout, mortise-and-tenon joinery, and mitered corners with matched seams/waterfall edges. Options include: Stretcher location at floor level or beneath seat (concealed). Additionally, clients may select edge profile as square or reverse bullnose. Specify timber and size from the options below. Custom materials and sizes available. Residential or contract use.
