Lure Pendant 21 & 30

Pelle

DESCRIPTION

Each blossom—a unique, delicate arrangement. At once open and closed, the flower's light and shadow lure one into its contemplative depths.

Lure transforms a flower's transient beauty into a lasting light. In this fixture, a cast cotton paper flower is spotlit by a suspended LED light source. Held by a slender brass arc, the light shines brightly on a blossom built of hand-sculpted petals, displaying texture, structure, and delicacy. The white flower reflects light, providing a source of soft illumination.
