Thirsty Thursday By Leo Gabin

Henzel Studio

DESCRIPTION

Leo Gabin has worked as a trio since the early 2000's using media such as video, painting, drawing and sculpture. They take inspiration from the proliferation of user-generated media on the internet and the until now undefined space straddling the public and private realms. Leo Gabin has had individual presentations at such venues as Sorlandets Kunstmuseum, Kristiansand, M Woods, Beijing, Museum Dobndt-Dhaenens, Duerle and White Cube, London. For HENZEL STUDIO, Leo Gabin produced a silkscreen of an image from an online source. Paint has been applied onto the artwork, which has been emphasized trough variable pile heights to create texture.
