Boudoir Ottoman

Gabriel Scott

DESCRIPTION

A classic seating silhouette reinterpreted, GABRIEL SCOTT plays with rounded metal lines and layering effects to create the BOUDOIR series. A French pebbled leather lining hosts a plush tone-on-tone fabric cushion sitting on top of the curved metal shell fusing solid with soft. The BOUDOIR makes lounging an elegant experience by instilling depth and movement into each piece. With brass hardware embellishments, the BOUDOIR is available as a daybed, chaise longue, loveseat or chair with ottoman.

Various metal and leather colors available. COM & COL options available.
