Nebulae 22- Double Horizontal Chandelier

Ross Gardam

DESCRIPTION

Designed for use in larger open spaces, working in modular configurations, the Horizontal Nebulae Collection is inspired by the diffusion of both natural and LED light.
Available in several configurations and glass finishes,

The Nebulae Horizontal collection is both dynamic and sculptural in its linear form. Ideal feature lighting for grand foyers, above dining tables and hotel lobbies. The body is manufactured from machined aluminum white champagne or black anodized. Nebulae's discs are available in a textured, bubbled black glass, white pearl or a fluted clear glass, each creating a unique light dispersion.
