Ibeji (Duet) By Sanford Biggers

Henzel Studio

DESCRIPTION

Sanford Biggers is a contemporary artist, he works in sculpture, video, installation, and performance. Biggers's work is known for its combination of meditative rigor and improvisatory edge, resulting in multilayered compositions that draw from the Buddhist idea of hip-hop culture, constellations, Afrofuturism, slave quilts, Jazz, and mandalas. Despite his use of disparate themes, Biggers manages to seamlessly combine them into works of beauty and grace. Born in 1970 in Los Angeles, CA, he received his MFA from the School of the Art Institute of Chicago in 1999. Biggers currently lives and work in New York, NY. Today, his works are held in the collections of The Whitney Museum of American Art in New York, the Los Angeles County Museum of Art among others. For HENZEL STUDIO, Sanford Biggers re-appropriated his painting Ibeji (Duet).
