Filigrana Cloud

Established & Sons

DESCRIPTION

Available in group compositions of 3, 5, and 9 the Filigrana Light cluster range is designed to be versatile and can be displayed as a solo installation or in combination to multiply the effect throughout a space. As with an optical illusion, the overlapping stripes produce a psychedelic effect that calls for further investigation from multiple angles. These dramatic designs are Ideal for hospitality venues that want to create a 'must-capture' moment for Instagram users.
