Lasso Pendant

SkLO

DESCRIPTION

Solid loops of handblown glass serve as a shade for this sculptural pendant. The glass loops come in different sizes, showcasing the amazing quality and clarity of the Czech glass. Each loop is made by hand, so each is unique and slightly different, lending the finished composition a very organic feel. The glass loops are a predetermined set of different sizes and sit atop a brass hook. Two sockets oriented horizontally, back-to-back, are positioned below the hook. Suspended on a rigid brass stem.
