Lasso Chandelier

SkLO

DESCRIPTION

Large, linear light fixture featuring a long row of glass loops supported on a steel armature. The glass loops come in different sizes, showcasing the amazing quality and clarity of the Czech handblown glass. Each loop is made by hand, so each is unique and slightly different, lending the finished composition a very organic feel. Each socket hangs individually from the canopy on an exposed fabric-wrapped electrical cord and nestles within the glass loops. Available in three sizes.
