Table Torch

Stickbulb

DESCRIPTION

The torch series is the most pure and minimal expression of the Stickbulb collection. The Torch Table Lamp is a single, linear led module elegantly held in place by a minimal steel base. The wooden component is offered in sustainably sourced maple or walnut, reclaimed heart pine, or reclaimed water tower redwood . The metal base is available in powder coated white, powder coated slate gray, or blackened steel. The Torch is supplied with an eight foot cord and a detachable adapter.
