Repose Chaise

OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

THE REPOSE CHAISE or long chair, is an expansive form sculpted to accommodate two in intimate comfort.

The original Repose sofa has quickly become a contemporary icon of sartorial sophistication and a stylish beacon of SLOW TIME; a space dedicated to relaxation and “being”.
The launch of the REPOSE CHAISE continues this evolution of expressive aesthetics and ultimate lounging; an invitation to slow things down and REPOSE.
