Modrock Coffee Table

OKHA

DESCRIPTION

OKHA works selectively with local artisans that reflect their cosmopolitan, polyglot South African expression. Being small and artisanal they are dedicated to quality hand-made products.

A STORY ABOUT MATTER AND FORM, RELATIONSHIP AND CONNECTION.

Nothing stands alone; in our world all matter and all elements interact. Relationships are formed and the connections made are essential to the existence of all things. We call this InterBeing.

MODROCK is a design story of the crafting of two forms and two materials, entities in dialogue, that tell a simple story about relationship, connection and InterBeing.
