twentieth

Opihi Table

James De Wulf

DESCRIPTION

Opihi is Hawaiian for limpet. It is one of the most common shells you will see on the Hawaiian shores. The lines developed in the growth of the shell are simple and beautiful.

The console table weighs 200 lbs. The piece lives beautifully indoors and performs well outdoors. Tables are sealed with a unique ?nishing wax and will develop a gradual patina adding to the beauty of the material's character over time.

Dining sizes available. Please inquire for custom sizing.
