twentieth

Smoke & Mirrors 15

Daniele Albright

DESCRIPTION

Interested in collapsing the contradictions between form and formlessness, Daniele Albright's work focuses on the immaterial as the indeterminate and shifting space between perception and the material world. In her limited edition Smoke & Mirrors series, the seemingly formless material of smoke is manipulated using the slightest shifts in atmospheric pressure, air movements significantly lighter than a single breath. The resulting ephemeral forms are captured photographically, and illuminated from within.

ADDITIONAL INFORMATION

MATERIALS
Photographic Transparency, LED panel, Coated Glass, Aluminum

DIMENSIONS
39.75" W x 60" H x 2" D

Unique work.
