Solace Chain Pendant

Ross Gardam

DESCRIPTION

Solace Chain extends the language of the Solace Pendant through a delicate suspension. A fine chain introduces movement and subtle weight, allowing the geometric glass form to settle into a gentle, natural drape. The result is a composition that feels precise and fluid, balancing structure with softness.

Available in single, single looped, and double looped configurations, each piece can be composed in multiple combinations to form both restrained and larger, more expansive statements.
