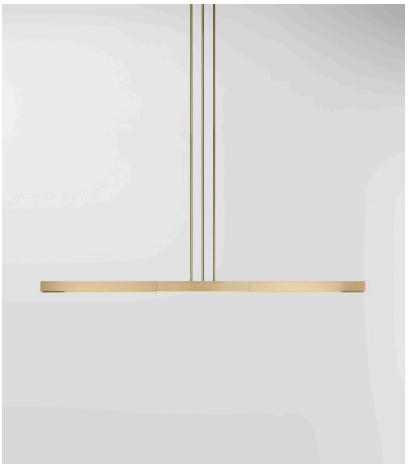
twentieth

Liminal Pendant

Ross Gardam



DESCRIPTION

Liminal exists in the threshold between object and space. Its floating silhouette is suspended by a trio of central support rods, creating a carefully balanced composition unique to the piece.

Offering independently switched up-light and downlight illumination, Liminal allows for layered atmospheric control within a single fixture. A modular lap joint detail defines the fixture's side profile, reinforcing its architectural character. Available in five lengths and eleven standard finishes, Liminal adapts seamlessly across a range of architectural environments while maintaining its quiet, immersive presence.

Liminal is available as a double and triple drop model with 3 central beams, or two beams spaced out. See spec sheet for drawings of these two models.

Hang height must be confirmed prior to production. Power access point required at center for triple drop, or from one canopy for double drop.

ADDITIONAL INFORMATION

MATERIAL
Brass, Aluminum

AVAILABLE FINISHES
Champagne Anodized Aluminum, Black Anodized Aluminum, Hand Rubbed Aluminum, Brushed Brass, Hand Rubbed Brass, Brushed Aged Brass, Hand Rubbed Aged Brass, Brushed Bronzed Brass, Hand Rubbed Bronzed Brass, Brushed Blackened Brass, Hand Rubbed Blackened Brass
