

# twentieth

## **Bbc**

Daniele Albright

### DESCRIPTION

With a tongue in cheek name that stands for Big Black Crystal, among other things, the BBC is based on a large black crystal found in Brazil while attending an ayahuasca ceremony. Blending hippy trippy references with a minimalist aesthetic sensibility resulted in this enigmatic sculptural form.

### ADDITIONAL INFORMATION

#### MATERIALS

Hematite Black Mirror, Wood

#### DIMENSIONS

16.5" x 25" x 75" (41.9 x 63.5 x 190.5 cm)
