

# MEDUSA TABLE LAMP LED

Ø225 / Ø315

Carlo Nason

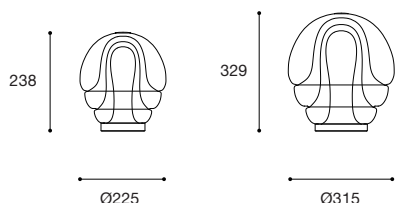

**Type**  
Table Light

**Design**  
1969

Born from the poetic experimentation of Italian Modernism, this glass masterpiece echoes the sinuous forms of the jellyfish from which it takes its name.

Multi-layered, mouth-blown opaline glass diffusers honour the mastery of the Murano tradition while translating Nason's expressive language into a contemporary context. Available in suspension, table and wall versions.
