

Drift
 Amanda Levete

Type: Seating

Design: 2006
Designers: Amanda Levete

Dimensions
 L2880 × D870 × H420mm

Seat Depth
 420mm

Weight
 70kg

Materials
 Glass reinforced polyester
*Notes: Artisan material
 and process, variations occur*

Colour
 Satin-matt Black RAL 9005
 Satin-matt White RAL 9003
 High-gloss Black RAL 9005
 High-gloss White RAL 9003

*Notes: Bespoke Pantone reference
 paint finishes possible*

Packaging Dimensions
 L3020 × D1010 × H800mm

Weight
 120kg

Packaging Type
 Crate

*Notes: 3 or more people required
 for handling. While uncrating
 ensure all jewellery, watches etc
 are removed to avoid causing
 scratches to the surface.*

Notes:

- This design should not be exposed to direct sunlight, use in an ambient environment and protect against exposure to temperatures below 4°C and above 40°C. Avoid contact with heat sources.
- Do not pour hot liquids on the surface (ie coffee, tea) . If this happen accidentally the bench should be dried immediately to avoid the liquid soak the surface.
- Not suitable for outdoor use
- Satin-matt not recommended for use within high traffic areas
- This piece is not suitable for airfreight. For exports, please ensure is transported via sea freight in a temperature controlled container. Shipping in temperatures above 30oC or air freighting could result in severe & irreparable damages.
- Please retain the crate for any future transportation or long-term storage.

Care & Maintenance

Satin-matt polyester:

The bench should first be dry dusted with a clean, cotton cloth. If wet cleaning is required , the item should be cleaned without pressure using a soft, slightly damp sponge using deionised water (tap water contains salts that can leave a residue on the surface of the polyester) with a mild, non-coloured detergent, such as Ecover Washing Up liquid. If this method is used, the table should be dried thoroughly using a foam sponge in order to avoid temporary streaking and residue. Do not use cotton cloths or other high lint materials at this point.

High-gloss:

Same as above, however, it can be polished with a lint free cloth. Avoid contact with certain solvents, including white spirit, toluene based products and acetone (Beware of many household cleaning products and polishes as these may contain potentially damaging solvents).
